DEDICATION

We wish to thank those who have helped us to complete our successful High School education, and also acquire such things as; new basket-ball suits, the score-clock, and the wonderful new addition to our school, which we enjoyed very much. The grateful thoughtfulness of Mrs. Laizure who left the high school fifty dollars a year for library books will always be remembered. We have enjoyed your wonderful co-operation through-out our high school years and the way you have always stood behind us when we needed help. We, the Senior Class of 1951, dedicate this annual to you. We hope you will enjoyed it as much as we have enjoyed presenting it to you.

CLASS WILL

Here it
is, folks

LAST WILL AND TESTAMENT: We, the class of 1951 of B.H.S. situated in the town of Bridgewater, in the county of Adair, and in the state of Iowa, being in our usual unsound mind and forgetfulness, do make, publish, and declare this our last will and testament, hereby revoking all former wills by us made.

FIRST: To those more fortunate students and teachers remaining in school we individually will the following.

1. I, Barbara Barnhart, leave my ability to attract servicemen to Elma Rechtenbach, who shows some interest in this field and my ability to type to Mr. Jones.
2. I, Helen Carl, will my useless worries over men to Jo Golly, my ability to smile on the basketball floor to Elma Rechtenbach, but I refuse to leave Dick Johnson to anyone.
3. I, Myrna Cass, will my basketball ability and a loaf of "OMAR" bread to Jackie Day.
4. I, Phyllis Jean Campen, will my ability to doodle to Connie Campbell, my habit of giggling at nothing to Laura Cron, and my ability to receive phone calls to "Wiggles" (Margaret) Waage.
5. I, Beverly Wyllie, will my height to Joann Warrior, my speed in basketball to Marie Raasch, and my ability to get a husband to Ruth Garside. (Ed. note-Don't always fall for the one next door Ruth.)
6. I, Jack McDermott, will my good co-operation with teachers to Frank Cole, my ability to persuade people to change to good cars (Fords) to everyone, (Ed. note-The coach for instance.) and my ability to go with the banker's daughter to Ramon Rechtenbach.
7. I, Clark Cole, will my co-operation with patrolmen and ability to obey speed zone signs to Ramon Rechtenbach, and my ability to go with Fontanelle women to Dick McMorran.
8. I, Delmar Williams, will my ability to tell "tall tales" to Rex Hight, my mischievousness to Euclid Sullivan and my very accurate aim at the transit with books, erasers, etc. to Joy McCann.
9. I, Dick Brawdy, will my basketball shooting ability to Lewis Gipple, my singing ability to Allen Bloom, my right front tooth to Clark Cole, and my kissing ability to Marlene Thompson.
10. I, John Vetterick, will my ability to buy the "wrong" kind of cars to David Kordick, my ability to work in Moyers to 'lil bro, Richard, and my likeness of camels (Connie Campbell) to Ed Schrader.
11. I, Max Hurd, will my being an extrovert to Miss Donnelly, my "PROFESSORS" appearance to Bob Rechtenbach, and Mary Lou Dwyer to anyone she wants to go with.

SECOND: After the payment of all our just debts, funeral charges, grudges and expenses of administration, we dispose of our estate as follows:

1. To the teachers we leave the gray hairs they have acquired.
2. To the Freshmen we leave our humorous outlook on education.
3. To the Sophomores we leave our pleasures of "PUPPY LOVE".
4. To the Juniors we leave our long arguments that get us nowhere.

IN TESTIMONY WHEREOF, we hereunto set our hand and seal at the office of Robert Lents and Terry Wyllie Incorporated. This first day of May in the year of our Lord One Thousand Nine Hundred and Fifty-one.

Senior Class (SEAL)

CLASS HISTORY

In the fall of 1939, five little innocent children with smiles on their faces and unaware of the things to come toddled up the hill to their school of learning. We were: Richard Carlson, Clark Cole, David Campbell, and Barbara Barnhart. Clark Cole being the only one having gone all twelve years at B. H. S.

Jessie Brown guided our foot-steps the first year. Upon returning the following year, we found Miss Ione Swanlund, as our instructor and it was also in this year that we were joined by Dick Brawdy and Lyle Williams. Florence McCreight was our third grade teacher.

Our fourth year found us in a different room and with a new teacher, Vera Wollenhaupt. In the middle of the year Barbara left us to continue school at Omaha. Miss Wollenhaupt returned to see us through the fifth grade.

Margaret Jones was our instructor during our sixth and seventh grades.

Our eighth grade found us with Murriell Shatava as our teacher. We had three new additions to our class: Max Hurd, Delmar Williams, and John Vetterick. During the year Beverly Wyllie and Barbara Barnhart joined us. Through the years we had the usual trials and tribulations of elementary students. It was a happy day for us when we received our eighth grade diplomas which certified that we were now ready to begin high school.

High School here we come! In the fall of 1947, fourteen shy and meek freshmen entered the halls of dear old B. H. S. We were: Myrna Cass, Helen Carl, Beverly Wyllie, Phyllis Christensen, Barbara Barnhart, Phyllis Jean Campen Clark Cole, Jack McDermott, David Campbell, Marion Saylor, John Vetterick, Dick Brawdy, Max Hurd, and Delmar Williams. Our sponsor was Dick Clark. We were duly initiated into high school by the class of 1948, who were very generous with the paddles, chocolate-covered soap and all other activities that make up initiation. During the year Phyllis Christensen left us to begin married life.

Our Sophomore year found us with only twelve members having lost Marion Saylor who decided to continue school at Greenfield. Our sponsor was Mrs. Golz. During the year John Vetterick left us to continue school at Indianola.

We entered our Junior year full of high spirits for we were now upper-classmen. We were happy to have John Vetterick back with us. The main events of the year were our Junior-Senior banquet which was held at Creton and our Junior Class Play, "Faith, Hope, and Flarity". We received our class rings this year and of course we thought they were the prettiest to be found. Our sponsor was Larry Love.

At the beginning of the Senior year we had eleven in our class, David Campbell having moved to Greenfield. Our first undertaking was the initiation of the Freshmen. The high school annual was our special project of the year. Our class flower is the white rose and our class colors are fushia and white. Our motto is, "Out of the Harbor into the Sea". Some of the high-lights of the year was our Skip Day and Senior Class Play. Mr. Jones was our sponsor. Our last four years have been very happy ones. Our teachers have done everything that could be done to make life pleasant. Our associations with one another have been pleasant and we have made friendships that will continue for the rest of our lives. With this we bid farewell to B. H. S.

CLASS PROPHECY

CLASS PROPHECY

In 1965, a group of B. H. S. graduates of 1951 gathered together to see what each had done for the past 14 years. A picnic lunch was held at the Bridgewater park to climax the day. The day was spent talking of classmates.

They found that Delmar Williams had married and lives on a turkey farm in Kentucky. His pastime is spent singing hillbilly songs! Those music lessons did come in handy after all didn't they, Delmar?

Dick Brawdy wasn't able to be there as it was time for his program over K. W. A. A. He's their favorite singer on that station in Chicago. Mrs. Brawdy, the former Shirley Fletcher, works at their home in Chicago. Someone has to care for the children.

Much to everyone's surprise we found that Max Hurd is yet single but has plenty of women on the string. (Same old Max) He still lives on a farm just south of town.

Jack McDermott and his wife, the former Marlene Kniep, live on that McDermott ranch raising angus cattle. They just welcomed their second set of twins so both parents were absent. We wonder why?

Somehow they got on the subject of teaching and Clark spoke up and said he liked it very much. He teaches high school at Red Oak while his wife teaches junior high. Of course "Grandma" Beaman cares for the little Cole baby while the parents are at school.

John Vetterick is in Indianola working in a factory helping Uncle Sam build planes. Everyone was surprised to hear he's not married and says he never will be. We wonder!

Beverly Wyllie, now Mrs. Jake Pote, is keeping house for Jake and her 3 little girls, all having red hair. They now live in Iowa City where Jake is employed.

Myrna Cass works in Omaha as a typist and filing clerk for Commercial Extension. She's not married yet but had a big "sparkler" on the third finger of her left hand. Lucky guy!!!

Mrs. Bill Harris (Barbara Barnhart) keeps house for Bill on their farm by Anita. I guess they're raising lots of kids. Baby goats that is!

At this point a baby started crying. Who should go over and pick him up? None other than Helen Carl, now Mrs. Dick Johnson. They're living on a farm by Richland.

Last but not least we come to Phyllis Jean Campen. She's now Mrs. Max Jacobson, having celebrated their tenth wedding anniversary yesterday. They're living on the Jacobson farm north of Fontanelle and have four little boys to make the home complete.

JUNIORS

Junior Class News

There are nine members in our Junior class this year, which are: Marie Raasch, Elma Rechtenbach, Joann Warrior, Laura Cron, Jean Bond, Ruth Raasch, Dick McMorran, Ramon Rechtenbach, and Lonnie Scott. Mr. Hofmeister took up the burden of being our class sponsor. We elected the following officers:

Lonnie Scott-----	President
Ruth Raasch-----	Vice-President
Joann Warrior-----	Secretary-Treasure
Laura Cron-----	Reporter

At the beginning of the school term we looked forward to the time we would have the opportunity to display our acting ability. This we did with our Junior Class play "Our Gal Sal", which Miss Donnelly did a very nice job of directing.

Everyone in our class participated in sports this year with the exception of Laura Cron. Ruth Raasch went out at the first of the season, but due to illness she did not finish the season. Those who made the first team in basketball were, Elma Rechtenbach, and Dick McMorran.

The highlights of the year was our Junior Class play, and our long awaited class rings. We had a very successful Junior-Senior Banquet.

We look forward to next year when we will no longer be under classmen.

"Think we'll ever make it"??????????

SOPHOMORES

Sophomore Class

This fall, 1950, we returned to school to find we had the largest class in B.H.S.. All fifteen of us thought we had the best class, but the teachers seemed to disagree with us at times. The members were: Larry Bauer, Gary Bond, Frank Cole, Jacquelyn Day, Mary Lou Dwyer, Ruth Garside, Lewis Gipple, Jo Golly, Rex Hight, Marlene Kniep, Joy McCann, Paul Prichard, Edward Schrader, Norma Sinner, and Richard Vetterick. At the end of the second six weeks we were joined by Joyce Johnson to raise our class members to sixteen. Miss Donnelly is our class sponsor and we elected the following officers:

President-----	Jackie Day
Vice-President-----	Eddie Schrader
Secretary-Treasure-----	Jo Golly
Reporter-----	Paul Prichard

Our subjects are, EnglishII, World History, Geometry, and Agriculture or Home Ec. Mr. Hofmeister teaches EnglishII and Miss Donnelly teaches our Geometry. Our teacher for World History and Agriculture is Mr. Jones and Mrs. Jones teaches Home Ec.

Three Sophomore girls made the first team in basketball. They were, Marlene Kniep, Norma Sinner, and Ruth Garside. No boys made the first team in boy's basketball, but Ed Schrader and Frank Cole saw a lot of action. All most all of the second team was made up of Sophomores. Lewis Gipple, Frank Cole, and Paul Prichard were on the first team in baseball.

Most of the Sophomores went out for music taught by Mrs. Jones. Marlene Kniep, Joyce Johnson, and Larry Bauer had the honor of singing in the music festival at Creston.

Rex Hight was absent the day this picture was taken.

FRESHMEN

Freshmen Class News

In the fall of 1950 thirteen Freshmen entered Bridgewater High School. We are Marlene Thompson, Connie Campbell, Margaret Waage, Jerry Eower, Gary Vorrath, Euclid Sullivan, Robert Rechtenbach, Allen Bloom, Johnny Jones, Dean Cass, Roger Asay, Robert McDermott, and David Kordick.

Mrs. Laura Jones was our class sponsor. The class officers are:

President-----	Robert McDermott
Vice-President-----	Connie Campbell
Secretary-----	Dean Cass
Reporter-----	Marlene Thompson

Four Freshmen who are cheerleaders are Marlene Thompson, Margaret Waage, Robert McDermott, and Dean Cass.

The subjects we are having this year are English I, World History, and Algebra. Also the girls are taking Home Economics and the boys are taking Agriculture.

Our main events this year was Freshmen initiation, which the Seniors had a part in of course, and a Halloween picnic and dance sponsored by the Freshmen class.

Early this fall we BIG seniors decided while we were initiating the "Freshies" we would have them write an essay on "Why I Like The Seniors". We had fine results, but we thought Euclid Sullivan had a very good one. It is as follows:

As I set down to compose this great work of the year I am reminded of a story my first grade teacher read to the class about a little boy named George. She was trying to teach us to always tell the truth. For eight long years I have made every effort to do this, but now as I venture into a school world filled with doubt and seniors, I fear I might ere slightly, as I tell why I like the Senior's. However, I have very little to lose as I am writing this on an envelope salvaged from the wastepaper basket by Clark Cole's desk and with a pencil loaned to me by Johnny Vetterick which he has used for the last three years, (or has he used it??).

I have a special liking for my good friends Max Hurd and Myrna Cass for their thoughtfulness of refreshments for the Freshman.

As I am a lover of good music I can not help but listen to Phyllis, Helen, Barbara, and Beverly as they keep a steady rhythm of gum chewing while Delmer keeps a steady time for them with the rattle of his Chevy as he comes around the bend on two wheels.

As for Jack and Dick special mention should be made of them. Their imitation of Frank Sinatra as they make their evenings trip to the school park.

The kindness of the Senior class as they offered we miserable Freshman gum Tuesday reminds me of two Irishmen, Pat and Mike. Pat, the owner of a hen with cholera gave it to Mike. The next day Mike returned it to Pat saying "I'll be just as good as you are," and gave it back to Pat.

At the close I will remind you that any resemblance to classes living or dead is purely fictitious and should be regarded as trash and this masterpiece of nonsense thrown into the bottom of the wastepaper basket where it belongs.

Euclid.

Junior High Room

The Junior High Room was again opened this year with nine students and Neva Sinner as teacher. Eight grade: Alberta Bloom, Robert Golly, and Judy Johnson. Seventh grade: Vivian Bloom, John Gipple, Lois Golly, Ronnie Kniep, and Norma Rechtenbach. Sixth grade: Donnie McMorran. Changes were made in the civics, health and history texts. A new set of Semi-Contour maps is an added attraction to our room, besides being very useful in the teaching of the social studies. A new set of encyclopedias was also added to our library.

As our part in the annual fall carnival, we presented the one act comedy, "Billy's First Date," which we feel was a success. We held a Christmas party with a gift exchange.

All the Junior High girls and boys are out for basdetball. Three of the boys have participated in inter-school games. The girls are still hoping for a game in the near future.

Norma Rechtenbach and Donnie McMorran were absent the day that the picture above was taken.

Delmar: "It says here they have found a sheep in the Hamalaya Mountains that can run 45 miles an hour."

Coach: "Well, it would take a lamb like that to keep up with Mary now a days."

Intermediate Room

When school began, Barbara Colbert was one of our Fifth Graders. She moved away in December leaving Jane Gipple, Marlene Kordick, Mary Metzger and John Waage in that grade. Fourth grade: Jerry Bloom, Rita Gipple, Betty Cass, Judith Ford, and Sandra Gipple. Third grade: Gary Firch, Frances Cass, and John Conaway.

We enjoyed parties on Halloween, Christmas, and Valentines day. Especially did we enjoy inviting our mothers, grandmothers, and little sisters and brothers in December to see our playlet, The Christmas Fairy and Scrooge. We presented each guest with a small gift which we had made. We have also enjoyed many birthday parties.

Our new library books are highly appreciated and we have read all of them.

We have carried our projects in some of our subjects and organized a club which will help us in many ways. In the spring we had nature study hikes and a picnic in the woods, with our teacher Miss Maude Chapman, who enjoyed them as much as the children did.

Primary Room

Twenty-two pupils, divided evenly between grades one and two, with fourteen boys and eight girls, were assigned to our room for this year's work and play.

Aside from our regular work for the year our attention has been fixed upon the progress of the construction of our much needed improvement, which had its inception on the minds of and the plans made by the men who were serving the community three years ago as promoters of school affairs. We hope to express our appreciation by marked effort on our part in our regular work and in demonstrating that we know how to live in our nicer quarters and exercise proper care of them. We are very grateful to the community for their generous approval of the bonds and those who have put much time and effort into the completion of the project which has added so much to our comfort and that of the entire school.

We are especially grateful to our present local Board of Education for our new white oak floor, it is a beauty and a daily delight and a daily delight and was badly needed.

The teacher in this department is Mrs. Lillie B. Gibson.

Recently we were enabled to acquire some new books for our already generous children's library, among them are a nice copy of *The Real Mother Goose* illustrated by Blanche Fisher Wright, and splendidly illustrated copies of the life of Abraham Lincoln and of George Washington. These have lithographic illustrations by the authors Ingri & Edgar d'Aulaire and they make the character seem very much alive to little children.

Our children had a very minor part in the Carnival program. Two of the first grade children, Monica McCall and Stevie Frich served as attendants at the coronation of the King and Queen, Marlene Kniep and Dick Brawdy.

At the Christmas Season each department produced its own program, and our department gave a playlet for their mothers and little brothers and sisters. It was entitled *A Tired Mother's Christmas Dream*. We also enjoyed a Christmas tree with a happy exchange of gifts.

Our attendance through the year has been marvelously good, there being weeks after weeks of perfect attendance and punctuality which is a fine testimonial for the mothers who have charge of the little ones.

Another matter of note has been the advent of the new playgroune equipment which is a source of deep satisfaction to all the children and especially those of our department.

Larry Buckner and Terry Wyllie was absent from school the day this picture was taken.

Carnival King and Queen

October 27 was the date of our Annual carnival. We feel it was a great success and were well pleased with the proceeds.

We had the usual program including a one-act play by the Junior High and a one-act play by some of the High School girls. The Girls Glee Club sang and dramatized "My Merry Oldsmobile." The lower grades and Intermediate rooms also participated in the program.

The stands and concessions which we had were Ring the Duck, Dart Throw, Novelty Stand, Baseball Pitch, and Basketball. The Home Economics girls also had the Snack Inn where you could get something to eat or drink. Since bingo had been outlawed and we couldn't have that, we solicited and had an auction. Although it couldn't take the place of bingo, we were well pleased and wish to sincerely thank all those who contributed.

Tickets were sold on a table and lamp as door prize which was won by Ruth Garside. Tickets which were sold on King and Queen votes also gave the holder of the lucky ticket a chance on a cute little red and white plush elephant, which was won by Lonnie Scott. Dick Brawdy was voted King and Marlene Kniep as Queen.

The grand finale was a dance at the gym. Fred "Pop" Krisinger played. It was a grand success with a large crowd enjoying themselves until a rather late hour. During intermission we had a cake auction of some very good and beautiful cakes.

We wish to thank everyone who helped make this carnival a success.

GLEE CLUB

Home Economics

With Mrs. Jones as our teacher this year in home economics we have undertaken many interesting projects. Among them are canning, the different cuts of meats, home management, personality traits and cooking. We have sewing and a few other units to take up before the end of the year. At our carnival we had a food stand which proved quite successful. We have a home economics club and have chosen the following officers:

Ruth Raasch-----	President
Jo Golly-----	Vice-President
Norma Sinner-----	Sec. & Treas.
Marlene Kniep-----	Reporter

The girls in home economics this year are: Connie Campbell, Ruth Garside, Marlene Thompson, Margaret Waage, Mary Lou Dwyer, Jackie Day, Elma Rechtenbach, Norma Sinner, Joy McCann, Marlene Kniep, Jo Golly, Joyce Johnson, Joan Warrior, Ruth Raasch, Laura Cron, and Marie Raasch.

Miss Donnelly: "People who drink too much coffee have a coffee heart, men who smoke too much have a tobacco heart."
 Joy McCann: "If a girl eats lots of sweets, will she get a sweetheart?"

Ruth R.: "What's the idea of wearing my raincoat?"
 Elma: "You wouldn't want me to get your new dress wet, would you?"

Mr. Hofmeister: "Ed, name a collective noun."
 Ed Schrader: "A vacuum cleaner."

Girls Basketball

At the beginning of the season fifteen girls reported for basketball with Byron Hofmeister as our coach. Those girls making up the squad were as forwards: Norma Sinner, Ruth Garside, Jean Bond, Marlene Kniep, Marie Raasch, Mary Lou Dwyer, and Joann Warrior. At the guard end were: Myrna Cass, Beverly Wyllie, Elma Rechtenbach, Jo Golly, Helen Carl, and Jackie Day. Others participating were Phyllis Campen and Joyce Johnson.

Our record for the whole season including the tournaments was 9 victories and 10 defeats. We made 697 points during the season for an average of 37 points per game. Norma Sinner had a seasonal total of 273 points for high scorer. Marlene Kniep made 246 points, while Jean Bond had 63 with Marie Raasch making 58 and Ruth Garside making 48 points.

Some of our games were played with the better teams in the Southwestern section of the state such as Richland, Zion, Orient, and Prescott. On Dec. 5th we beat Prescott, which was then the eleventh top team in the state. Zion also was rated as one of the upper teams in the state when we played them. All these games were very close and we feel we did very well considering the competition we played.

Marlene, Norma, Beverly, and Myrna recieved special honors of being on the honorable mentioned list in the county.

Boys Basketball

With only five lettermen back Coach Hofmeister had a difficult time getting a team organized. Almost all of the boys reported for practice. In mid-October practice began. The scores of the games we played were as follows:

	we	they
Richland	36	27
Prescott	30	48
Massena	21	40
Zion	39	38
Prescott	33	48
Orient	40	32
Greenfield	25	51
Cumberland	35	39
Lewis	41	53
Richland	48	34
Massena	52	73
Fontanelle	44	53
Orient	37	39 (overtime)
Fontanelle	38	33
Zion	45	36
Cumberland	47	46
Macksburg	43	35
Orient	42	46

Although we didn't have very good season with 8 wins and 11 loses we did have a fairly good season because we did play the tougher teams of this area. It was our luck to have to play Orient who was tougher than the most in this area in both the county and sectional tournaments. They were able to edge us out in both tournaments and once by an overtime. Both games could of went either way. Orient went on to win the sectional and placed third in the county. We also played Greenfield and Massena who placed on the state poll as one of the top teams in the state. We did fairly well against them too.

Those who made up the squad were John Vetterick, Clark Cole, Jack McDermott, Dick Brawdy, Dick McMorran, Ramon Rechtenbach, Lonnie Scott, Paul Prichard, Ed Schrader, Frank Cole, Richard Vetterick, Lewis Gipple and Larry Bauer. Coach Hofmeister's starting lineup changed from game to game. Jack McDermott, Dick McMorran and Clark Cole started almost every game. It was between Ed Scharder, Dick Brawdy, John Vetterick, and Frank Cole to fill the other two positions. Jack was captain of the team most of the games.

The high scorers were Jack McDermott 191, Clark Cole 163, Dick McMorran 109, Dick Brawdy 80, John Vetterick 67, Ed Schrader 58, and Frank Cole 36 points. Jack McDermott and Clark Cole received special honors from the counties coaches. Jack was selected on the all-county team and Clark was selected on the all-county second team.

For the first time in the history of the Bridgewater boys basketball the Bulldogs pulled through with a victory the first game of the season. We are proud to have broken this jinx.

The outlook for the Bulldogs in the future looks very good. There are a lot of good promising underclassmen coming up.

Baseball

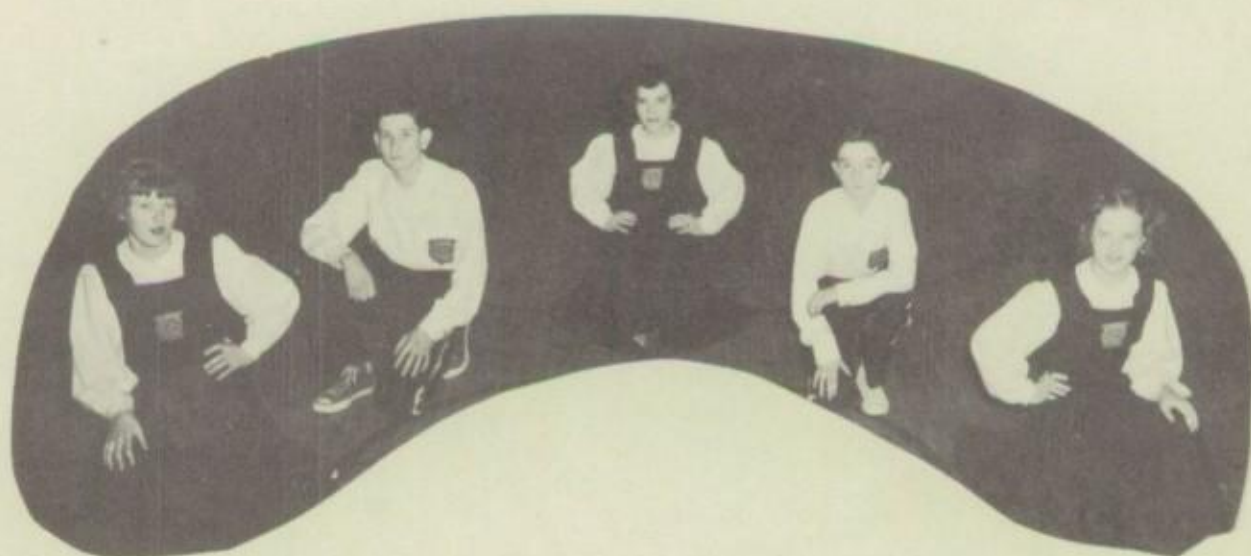

Almost all of the boys in high school reported for baseball the first day of school. The team was much hampered because it had lost most of its lettermen. It was a tough job for Coach Hofmeister to get a team together. Two new battery mates were needed.

Those who reported for baseball were John Vetterick, Dick Brawdy, Clark Cole, Delmar Williams, Jack McDermott, Dick McMorran, Lonnie Scott, Ramon Rechtenbach, Lewis Gipple, Frank Cole, Ed Scharder, Paul Prichard, Gary Bond, Rex Hight, Larry Bauer, and Richard Vetterick. Two Freshmen Jerry Bower and Bob McDermott saw some action in games that we played. The Freshmen had baseball at a different period than the other boys in high school.

Our starting lineup was McMorran P, R. Vetterick C, J. McDermott 1B, J. Vetterick 2B, F. Cole 3B, Gipple SS, Scott LF, C. Cole CF, Brawdy RF. Clark Cole turned his knee early in the season and couldn't play anymore. Ed Scharder, Paul Prichard and Jerry Bower also saw a lot of action. Scott and F. Cole did some pitching too.

Junior-Senior Banquet

The Junior-Senior Banquet dinner of 1951, was held at the Bridgewater High School Gymnasium, on Friday evening April 6.

Dinner was prepared and served by the Auxillary ladies and the mothers of the Junior Class. The gym was beautifully decorated to look like a make-believe Ballroom.

The Seniors and faculty recieved little white booklets inviting them to the gala affair. Lonnie Scott gave the Welcome, and Helen Carl gave the response.

The favors were little gold colored pencils.

After dinner an enjoyable evening was spent dancing at the Chicken Inn at Creston.

Basketball Banquet

On March 30th the Annual Basketball Banquet was held at the Bridgewater gym. A bountiful pot luck supper was enjoyed by all. After the supper Coach Hofmeister presented the Basketball awards to the players. A musical program was presented by the music department.

Alumni Banquet

The annual Alumni Banquet was held Friday Night, May 18, in honor of the Senior Class of 1951.

The Senior girls were attired in formals. After the delicious supper which was served at the Methodist Church we enjoyed the evening dancing at the gymnasium.

Ode To A Senior

You can tell a Freshman by his silly, eager look,
You can tell a Sophomore because he carries one less book;
You can tell a Junior by his lofty air and such,
You can tell a Senior but, BOY, you can't tell him much! J! ! ! !

Scandal

We wonder why Delmar is always going to Tennessee. Could it be he enjoys the scenery, or is it a little colored girl by the name of IONA?...Is it true the reason that Marlene Kniep writes so many notes is because she is practicing to be a secretary? If so, why are they all to Jack McDermott?...A lot of guys are going to the army, maybe even Jake Pote. We hear that he is getting a little advanced training at home from "BUCK SARGENT" Wyllie. (Bev, that is)...I thought John Vetterick's brand was Lucky Strikes but now he made a lucky strike by changing to Campbells...How long does it take to get from here to Canby, Clark?...Why does Dick Brawdy spend so much of his time in Massena? Could it be a cute little blonde named Shirley Fletcher?...How do Mercurys ride, Helen? Especially a certain one that belongs to Dick Johnson!...We wonder how Phyllis likes to receive phone calls from Marion Saylor. That's all right Max Jacobson, she always refuses!...Say, Myrna who is this "STUB" that you have taken such an interest in lately? We'd like to hear more about this...FLASH--- !!!---A small package for Barbara Barnhart from Wichita Falls. It couldn't be, or could it? Barbara nervously opens it. It is, A DIAMOND, the first in B.H.S. in 1950 and 1951. What's this Laura? You say it won't be the last. Is Leroy getting brave?...Why is Euclid so interested in Max and Who's affairs? (Ed. note. You can have her Euclid, I don't mind.)...Why is it Ramon Rechtenbach writes so many letters to Bennington, Nebraska? Could it be Carol Kniep?...Why is it that Mary Lou Dwyer has taken such a sudden interest in the trucking business? Maybe it's a certain truck driver named "Shorty Williams"...Why is it that a certain sophomore boy journeys over to Greenfield so much? How about this Frank? Could it be a certain girl named Ardith Roberts?...What is this about Joy McCann singing for an orchestra? It couldn't be "WAYNE KINGS'S ORCHESTRA" could it Joy?...Say Jo, it sure is nice to have a janitor boy friend to sweep you off your feet, isn't it?...Joyce, how is your little "RAY" of sunshine? Wayne Ray, that is...Nice to have a cute guy for a neighbor, eh Garside?...What is this about Marie Raasch, Sidney Rodeo, and a boy friend? We wonder who?...Why is it that Johnie Warrior has taken such an interest in girl's basketball? It couldn't be a certain forward could it JEAN????...What is this about Fudd joining the WAC's? It couldn't be that she would like to be near Delmer Freeman. What about this Elmer?...What's this about Who Baby and Stub Porter getting married and starting an Indian Reservation out east of Bridgewater in the timber...What's happened to Jackie and Omar? Could it be that a guy named Mac from Texas is interfering?...Why is someone always trying to cause trouble for someone else! Word to the wise IT'S AN ILL-WIND THAT BLOWS NO GOOD. Helen, it's a good thing that Dick J. understands and believes only you...Why does Bud spend so much time into the show building waiting for Ruth R. to get off work?...Is this farm school that you are sacrificing Stakey for every Wednesday night worth it Norma??...Why are the seniors singing, "SO LONG, ITS BEEN GOOD TO KNOW YOU"? I wonder, don't you??????
